

ASSIGNMENT - 16

PROGRESS IN FORMING EWB INDIA STUDENT CHAPTER : VVIT

Status: Still Not Formed the Chapter

Sir, we had formed a group of people Interested in EWB. They all filled the applications and our management had given us all the permissions required. Principal sir signed the report today we will post the application and chapter formation report to EWB India office. The reasons for this late in progress are: the students are from different branches and our Internal examinations are being held. So, this took a lot of time to collect all their applications. As soon as we get the approval from EWB India we will conduct the Inauguration event and start working efficiently.
