PROGRESS ON THE FORMATION OF IUCEE SCALE STUDENT CHAPTER:VVIT

Sir, we all have missed the webinar conducted on 4 October 2019 due to our Internal Examinations. We just came to know that we have to form the IUCEE SCALE student chapter in college. Our semester had ended last week and we all have our 2nd Mid, Lab Examinations and Semester end examinations for the next three -four weeks. So this would be difficult for us to reach out to the students and tell about this chapter and convince the Management regarding this. But we will definitely do this as soon as possible.
